"Education is the kindling of a flame, not the filling of a vessel." — Socrates

As we unveil this year's edition of our school magazine, I am filled with immense pride reflecting on the journey we have shared. At [School Name], our vision has always extended beyond the four walls of a classroom. We aim to sculpt individuals who are not only academically proficient but also ethically grounded.

In an ever-changing global landscape, our commitment remains to provide a sanctuary of learning where heritage meets innovation. This magazine is a testament to the resilience and brilliance of our students. I congratulate the editorial team for capturing the soul of our institution so beautifully. May we continue to fly high on the wings of integrity and wisdom.

A school is more than just an infrastructure of bricks and mortar; it is a living laboratory of dreams. This past year has been a landmark period for us as we upgraded our facilities and embraced new pedagogical frontiers.

Seeing our students excel in diverse fields—from the science labs to the athletic tracks—reaffirms my belief that when opportunity meets hard work, the results are extraordinary. I extend my heartfelt gratitude to our dedicated faculty and supportive parents who form the backbone of this ecosystem. Let this magazine serve as a souvenir of our collective triumphs and a roadmap for the milestones yet to come.

It is with great joy that I present this annual chronicle of our school’s life and achievements. To me, every student is a unique story waiting to be told, and these pages are a vibrant mosaic of those stories.

Our focus this year has been on 'Holistic Growth'—balancing the rigors of the curriculum with the freedom of creative expression. We don't just want our students to pass exams; we want them to pass the tests of life with grace and courage. As you flip through these pages, I hope you see the laughter, the sweat, and the sheer grit that defines our student body. Keep dreaming, keep doing, and keep daring.

Dear Readers

Welcome to the fourth edition of our annual school magazine, Glimpse-IV. It is with a sense of profound joy and fulfillment that we present this chronicle of our collective journey over the past year.

At JPS Academy Nissing, we believe that every child is a reservoir of untapped potential. This magazine serves as a mirror to that potential—a vibrant reflection of our students' boundless creativity, intellectual curiosity, and remarkable achievements. Within these pages, you will find thoughts that inspire, art that captivates, and stories that remind us of the resilience of the young mind.

Glimpse-IV is more than just a publication; it is a celebration of the spirit of excellence that defines our school. We heartily extend our best wishes to all our readers and hope this edition earns your appreciation, continuing to play a vital role in the holistic development of our children.

Happy Reading!

With Best Wishes,

The Editorial Board

Our Legacy- About Academy

A Tribute to the Departed Soul

The legacy of Late Shri Jai Pal Singh Ji continues to illuminate our path. His life was a testament to the power of the common citizen striving for extraordinary perfection. Guided by his vision, we believe in a world:

"Where the mind is without fear and the head is held high..." — Rabindranath Tagore

The Academy Motto: "Marching Towards Excellence"

At JPS Academy, Nissing, we **don't** just teach; we transform. Our motto drives us to provide a world-class environment where every student can realize their full potential and blossom into a global leader.

Location & Architectural Grandeur

Nestled in a serene, pollution-free landscape away from the city's hustle, JPS Academy offers a peaceful sanctuary for learning. Our campus is a marvel of modern architecture, featuring:

Lush Green Surroundings: (photo of green areas of ground) Eco-friendly boundaries that create a refreshing atmosphere.

Smart Infrastructure: (photo infrastructure/inside the building) Fully air-conditioned, Wi-Fi enabled classrooms, extended in nearly 6 acres of land.

Safety First: (photo CCTV cameras) A 24-hour CCTV surveillance system ensures a secure environment for every child.

Pedagogical Excellence: (photo of a classroom)

Preparing for the Future

We have evolved our academic structure to meet the demands of a competitive world. Our specialized Elite Batches are designed to provide rigorous training for NEET, JEE and IIT aspirants. By integrating competitive exam preparation into our core curriculum, we ensure our students have a head start in their professional journeys.

The Art of Learning

We believe that "if a child can't learn the way we teach, we must teach the way they learn". Our methodology shifts from rote memorization to:

Smart Pedagogy: (photo smart classrooms) Utilizing smart classes to create an ideal balance of mind, body, and spirit.

Individual Brilliance: Treating every learner as a "Whole Person" with unique potential.

Language Proficiency: A dedicated focus on English communication skills to help students excel in a globalized society.

The Arena of Physical & Skill Excellence (pics of these sports)

Dynamic Sports & Athletics

Physical education at JPS Academy Nissing is about grit and sportsmanship.

Beyond the Classroom

our vibrant activity calendar ensures that talent is nurtured in every form:

Core Sports: Athletics, Volleyball, Basketball, and Kabaddi. (Pics of these games)

Cultural Heritage & Global Horizons

Celebrations & Values

We believe in staying rooted while growing wings. The Academy vibrantly celebrates:

National Pride: Independence Day and Republic Day.

Spiritual & Cultural Heritage: Baisakhi, Investiture Ceremony, Janmashtami, Dussehra, Diwali, Guru Nanak Jayanti, and Gandhi Jayanti.

Faculty Excellence:

Adhering to CBSE Norms

At JPS Academy Nissing, we believe that empowered teachers are the architects of empowered students. In strict alignment with CBSE guidelines, our educators undergo a minimum of 50 hours of professional development annually to refine their pedagogical skills.

Empowering Educators:

Our school takes pride in providing a platform where educators regularly participate in CBSE-led Capacity Building Programs and specialized workshops. This ensures that our teaching staff is fully equipped with the latest educational reforms, digital tools, and the innovative strategies required by the National Curriculum Framework. By investing in our teachers' growth, we ensure that our students receive a modern, high-standard education that meets global benchmarks

Educational Voyages

Learning at JPS Academy extends to the real world. Our students embark on enriching excursions to:

Nature & Science: Pipli Zoo, NDRI Karnal, and Kurukshetra.

City & Culture: Educational trips to Chandigarh, Noida, Shimla, and Manali.

The Sacred Start- Havan Ceremony(pic of havan already mailed) A Divine Prelude to the New Session

"May the sacred fire consume all negativity and ignite the light of wisdom within every soul."

To invoke the blessings of the Almighty, JPS Academy Nissing organized a solemn Havan Ceremony on 1st April 2025 to mark the inauguration of the new academic session. The ritual was performed with great divine fervor, creating an atmosphere of peace and spiritual growth. The ceremony was led by our visionary Chairman, Shri Yoginder Singh Rana Ji, and Madam Anju Rana Ji, who offered the first ahutis into the sacred havan kund. They were joined by the Principal, Mr. Balraj Singh and Vice Principal, Mr. Sudeep Sharma, along with the entire faculty and student body. As sacred mantras resonated through the air, the JPS family prayed collectively for a smooth, successful and purposeful academic year. The ceremony concluded with the distribution of Prasad, leaving everyone spiritually rejuvenated and ready to march towards excellence.

Aryabhatta House(pic of 1.Aryabhata house)

Caption: Infinite Vision, Absolute Precision

The Legacy: Named after the legendary Indian mathematician Aryabhatta, the pioneer who gave the world the concept of 'Zero'.

The Motto: Harmonizing science for peace, growth, and character.

House Spirit: "Beyond the stars and through the zero, we find the path of a true hero. Let logic lead and wisdom fly, reaching for truths beyond the sky."

2. Bhagat Singh House

Caption: Courage in Heart, Revolution in Spirit

The Legacy: Named in honor of the revolutionary martyr Shaheed Bhagat Singh, whose supreme sacrifice fueled the flame of Indian independence.

The Motto: Service, Sacrifice, and Unyielding Patriotism.

House Spirit: "With fire in our souls and a will made of steel, for the glory of our nation, we passionately feel.

Like the martyr's spirit, we never shall bend; we fight for the truth until the very end."

3. Chandragupta House

Caption: The Power to Rule, The Will to Conquer

The Legacy: Inspired by Chandragupta Maurya, the great unifier of India and the founder of an empire that stretched across horizons.

The Motto: Unity, Strength, and Disciplined Leadership.

House Spirit: "Born to lead and destined to shine, the strength of an empire in every line. With a warrior's grace and a victor's might, we march toward the summit of every fight."

4. Chanakya House

Caption: Mastery of Mind, Strategy for Success

The Legacy: Named after the master strategist and philosopher Chanakya (Kautilya), whose wisdom and political ethics (Arthashastra) shaped the destiny of a nation.

The Motto: Knowledge is Power; Strategy is Success.

House Spirit: "Wisdom is the weapon that carves out the way, turning the challenges of night into day.

With strategic brilliance and a focused aim, we master the art of the winning game."

The Grand Campus & Connectivity

A Modern Sanctuary (School Building): "Architecture that inspires higher thinking." Our campus is a blend of aesthetic beauty and functional design, featuring centrally air-conditioned, sun-lit corridors and student-centric spaces that evoke a keenness to learn.

The Spirit of the Field (Playgrounds):

"Building champions on the green." The academy boasts expansive, lush green grounds where students transition from the classroom to the arena. These fields are the heart of our physical education, hosting everything from Athletics and Volleyball to Basketball and Kabaddi.

The Wheels of Safety (Transport):

"A secure bridge between home and school."

Our transport system is more than just a commute; it is a promise of safety. With a fleet of modern, GPS-tracked buses and dedicated staff, we ensure that every student's journey is comfortable, punctual, and secure.

Sports & Creative Studios

Physical Excellence:

"Building strength and character on the field."

Along with Athletics, Volleyball, Basketball and Kabaddi, we provide specialized training in Skating and Taekwondo to build agility and self-defense.

where students learn the balance of speed and the discipline of self-defense under expert guidance.

Advanced Learning Hubs

Physics Lab: "Where theories meet reality through discovery." This well-designed facility allows students to conduct experiments in light, electricity, and magnetism, proving that no path leads from experiment to the birth of a theory.

Research Laboratory (Biology): "Science is just a word; Lab work is an emotion." Equipped with high-powered microscopes and life-like specimens, this lab helps students observe the advancement of science and the smallest parts of a cell clearly.

Testing Room (Chemistry): "Chemistry is the Study of Transformation." A platform for budding scientists, featuring state-of-the-art safety equipment like fume hoods, distillation units, and electronic weighing machines.

Mathematics Lab: "Making numbers count through creativity."

This zone turns abstract concepts into fun through interactive puzzles and models, making math easy to understand for every student.

Language Lab: "Mastering the art of global communication."

A specialized facility designed to sharpen English communication, listening skills and pronunciation, preparing students for the global stage.

Server Rooms & IT Labs: "What doors can technology open for you?"

With over 40 monitored computers, we provide hands-on experience with Microsoft Office tools and global connectivity to keep students collaborative worldwide.

Smart Classrooms: "Technology-driven learning for the modern era." Our spacious, air-conditioned rooms feature Interactive Smart Boards and audio-visual tools from Extra Marks to create a keen environment for learning.

Atheneum (Library):

"Borrow Beauty... Keep Knowledge!"

A peaceful sanctuary with an impressive collection of reference books, encyclopedias, and newspapers to foster a lifelong love for reading.

Art Gallery: "I just want to create pretty things and ignore all my problems."

A flourishing space where young learners focus on sketching, oil painting and craft to enhance their artistic zeal.

Music Room:

"The universal language of the soul."

Students find their rhythm through Indian Classical and Western music, fostering creativity and social skills.

Dance Studio:

"Dance is the hidden language of the soul, where every movement tells a story."

A vibrant hall where students explore a treasure trove of music and express their joy through movement. (Pics of the following events)

Students learned about the courage of Indian pilots and saw real aircraft. The Rock Garden amazed them with its beautiful sculptures made from waste materials. It was an enjoyable and educational experience for all of them.

Social Service Week(pics mailed)

*"Small Acts, Great Love"

To foster a spirit of empathy and communal responsibility, a social service week was observed. During this heart-warming initiative, students and staff generously donated clothes, stationery and various household items to be repurposed for those in need. By turning their surplus into someone else's treasure, our students learned that the true essence of education lies in the joy of giving and the power of a compassionate heart.
